9. On or about March 24, 2014 for a period of days leading into April 2016, Defendant HARRY REID’S hand-picked Director of the Bureau of Land Management (BLM), Neil Kornze, a longtime REID aide, at the direction of Defendant HARRY REID ordered and sent the equivalent of federal storm-troopers to Plaintiff BUNDY’S ranch to seize his and his family’s land and capture and/or harm his cattle, at the direction of Defendant HARRY REID.
  10. These so called federal agents proceeded to threaten the lives of Defendant BUNDY and his family at gunpoint, abuse and kill their cattle, including burying bulls in secret mass graves, and assaulting and tazing various BUNDY family members to force them off the land.
  11. For this purpose, mercenaries were also hired to terrorize and harm Defendant BUNDY and his family.
  12. As revealed by numerous news agencies and sources, the reason for this invasion and armed assault by the BLM and other agents, was to remove PLAINTIFF BUNDY and his family from the land so it could be sold for profit and/or kickbacks by and to Defendants HARRY REID and his son RORY REID, a Las Vegas lawyer in a secret under the table deal, being then negotiated by Defendant RORY REID on behalf of himself and his father. See, e.g., “Reports: Company Tied to Reid’s Son Wants Land in Bundy Standoff, Newsmax, Sunday, 13 April 2014. Exhibit 1 incorporated herein by reference. Not coincidentally it has been widely reported and disclosed that Defendant HARRY REID at all material times owned 93 acres adjacent to the Bundy ranch in Bunkerville. Exhibit 2 – “Busted: Harry Reid Owns 93 Acres Next to Bundy Ranch,” Truth and Action Report. He thus coveted his neighbor’s property and chattels.
  13. Defendant BUNDY, his sons and family, along with peaceful persons who were rightly armed and defended by peaceful cowboys and militias under the Second Amendment of the

1 Constitution succeeded, after much personal and physical harm and damage was committed  
2 by agents of the BLM and Defendants HARRY REID AND RORY REID, in having the  
3 BLM agents leave the premises at the BUNDY RANCH. Defendant BUNDY, his sons and  
4 his family also possessed a First Amendment right to peaceable assemble and associate.

5 14. No sooner than this had occurred, Defendant HARRY REID, acting in concert with  
6 Defendants RORY REID and OBAMA , each and every one of them, jointly and severally,  
7 issued what in effect were public threats to and made false defamatory statements about  
8 Defendant BUNDY and his family to further his under the table negotiated deal to seize and  
9 sell the BUNDY ranch and its chattels, including any remaining cattle, for profit and/or  
10 kickbacks from the purchaser(s), some of whom were reported to be communist Chinese.

11 15. Specifically, Defendant HARRY REID threatened and broadcast publicly, as reported in  
12 numerous publications: “They’re nothing more than domestic terrorists..... I repeat. What  
13 went on up there was domestic terrorism.” According to the Las Vegas Review-Journal  
14 report of April 17, 2014, Defendant HARRY REID also publicly and falsely accused “the  
15 Bundy backers of bringing their children to protest the BLM so that federal authorities  
16 might harm them, which would prompt negative headlines around the world and hurt the  
17 government’s case against the rancher.”

18 16. Also specifically, Defendant HARRY REID falsely broadcast publicly “There were  
19 hundreds --- hundreds of people from around the country – that came there. They had  
20 sniper rifles on the freeway. They had assault weapons. They had automatic weapons.”

21 17. The Las Vegas Review-Journal also reported other false statements by Defendant HARRY  
22 REID: “According to Reid, ‘[S]ome protesters said they had ‘children and women lined up  
23 because if anyone got hurt we wanted to make sure they got hurt first, because we want the  
24 federal government hurting women and children. What if others tried the same thing.’”  
25  
26  
27  
28

1 18. Further the Las Vegas Review-Journal reported other false statements by Defendant  
2 HARRY REID: “Cliven Bundy does not recognize the United States. He says that the  
3 United States is a foreign government. He doesn’t pay his taxes. He doesn’t pay his fees.  
4 And he doesn’t follow the law. He continues to thumb his nose at authority.” Defendant  
5 HARRY REID falsely added “If Bundy wins his battle with the BLM, it could set a  
6 precedent in which protesters and militias might come to the aid of other farmers and  
7 ranchers who have disputes with the federal government.” Laura Meyers, “Reid Calls  
8 Bundy Supporters ‘domestic terrorists,’ Las Vegas Review-Journal, April 17, 2014.

9  
10 19. A day later, on April 18, 2014, the Las Vegas Review-Journal reported more threats and  
11 false statements by Defendant HARRY REID, acting in concert with Defendants RORY  
12 REID and OBAMA:

13 “The people, who hold themselves out to be patriots are not. They’re  
14 nothing more than domestic terrorists.” The publication also reported that  
15 “The Nevada Democrat said he had spoken in detail to Attorney General  
16 Eric Holder, FBI Director James Comey, Secretary of the Interior Sally  
17 Jewell (the department which oversees the BLM), as well as the Clark  
18 County Sheriff. .... Reid’s comments follow a weeklong back-and-forth  
19 between Bundy and the lawmaker. Reid said Monday that the situation at  
20 the ranch was ‘not over.’ Bundy struck back, saying Reid should stay out  
21 of Nevada and focus on doing his job in Washington. Reid said at an  
22 event on Thursday, ‘Its an issue that we cannot let go, just walk away  
23 from. Sen. Rand Paul said Reid shouldn’t be name-calling but added  
24 ‘there is a legitimate constitutional question’ as to whether states or the  
25 federal government should be in control.”

26 Lucy McCalmont, “Reid: Bundy’s domestic terrorists,’ Las Vegas Review-Journal, April 18, 2014.

27 20. Thus, Defendant HARRY REID, acting in concert with Defendants RORY REID and  
28 OBAMA, illegally and unethically misused the power of REID’s U.S. Senate position to  
have Plaintiff BUNDY prosecuted by the Obama administration in order to secure the land  
that was being negotiated for sale for profit and/or illegal kickback to HARRY REID and  
his son RORY, with the complicity of Defendant OBAMA. Defendant HARRY REID  
along with these other Defendants illegally and ethically misused the power of his office for

1 personal gain, particularly since Plaintiff Bundy and his family did not harm any federal  
2 agents and their mercenaries at the stand-off but simply exercised their Second and First  
3 Amendment constitutional rights to bear arms and peaceably assemble to stand peacefully in  
4 the way of this unethical, illegal, and corrupt attempted takeover of the Bundy's ranch for  
5 the personal gain of Defendants HARRY and RORY REID as stated and/or supported by  
6 Senator Rand Paul and scores of others.

7  
8 21. Following the legal and constitutional stand-off, whereby Plaintiff BUNDY, his sons and  
9 other family members and supporters exercised their Second Amendment right of self-  
10 defense against the government, and succeeded in having the BLM agents and  
11 representatives leave the Bundy ranch unharmed, Plaintiff BUNDY publically equated his  
12 and his family's situation to the plight of "Negroes" in the old South, whereby they were  
13 enslaved by a tyrannical government as he and his family believed they were given the  
14 threats and violent attacks on his family members, his cattle and the Bundy's supporters. He  
15 chose the word "Negro" believing that this was a proper term for African-Americans,  
16 having looked up the word in Webster's dictionary. He meant no disrespect and insult to  
17 African-Americans, particularly since he was equating his and his family's plight with them.  
18 Indeed, the Reverend Martin Luther King referred to his people as "Negroes" and he is  
19 recognized as the greatest African-American civil rights leader in American history.

20  
21 22. Threatening, mocking and disparaging Plaintiff BUNDY at a White House Correspondents'  
22 Dinner on May 2, 2016, just days after the Plaintiff BUNDY's successful standoff,  
23 Defendant OBAMA made this public statement, which while he couched it as humor, was  
24 not in fact humor but a threat to prosecute Defendant BUNDY and his sons and other family  
25 members for the successful standoff. This despicable disrespectful mocking threat was made  
26 to further the false and threatening statements of Defendant HARRY REID, as set forth  
27  
28

1 above. Speaking at the dinner and on national and international television Defendant  
2 OBAMA publicly stated:

3 “We have some other athletes here tonight, including Olympic  
4 snowboarding gold medalist Jamie Anderson is here. We’re proud of her.  
5 (Applause). Michelle and I watched the Olympics – we cannot believe  
6 what these folks do – death-defying feats – haven’t seen somebody pull a  
7 “180” like that fast since Rand Paul disinvited that Nevada rancher from  
8 this dinner. (Laughter). As a general rule, things don’t end well if the  
9 sentence starts, “Let me tell you something I know about the negro.”  
10 (Laughter). You don’t really need to hear the rest of it. (Laughter and  
11 Applause). Just a tip for you – don’t start your sentence that way.  
12 (Laughter).”

- 13 23. Indeed, in February 2016, about two years later, Defendant OBAMA, acting in concert with  
14 Defendants HARRY and RORY REID made good on his threat against Plaintiff BUNDY  
15 and his sons and had the sons Ammon, Ryan, Dave and Mel Bundy, arrested and charged  
16 with criminal acts by and through his Justice Department, now under the auspices of  
17 Attorney General Loretta Lynch, for a peaceful but armed protest at a game reserve in  
18 Oregon again over the BLM’s illegal and unconstitutional acts in attempting to seize land  
19 and chattels of fellow ranchers.
- 20 24. The only one harmed at this protest was a protester who was without cause shot and killed  
21 by a federal agent. The sons of Plaintiff BUNDY and no other protestor had harmed any  
22 federal agent.
- 23 25. Shortly after this arrest and indictment in Oregon, Defendant OBAMA -- acting in concert  
24 with Defendants HARRY and RORY REID after Plaintiff BUNDY traveled by airplane  
25 from Nevada to visit his sons in prison in Portland, Oregon – ordered Attorney General  
26 Loretta Lynch have Defendant BUNDY arrested at the Portland airport and charged and  
27 then indicted with 17 counts of criminal acts in Nevada, and then had Defendant BUNDY  
28 extradited back to Nevada and incarcerated in prison in solitary confinement, where he  
remains to this day. Plaintiff BUNDY’S sons Ammon, Ryan, Dave and Mel Bundy were  
also then indicted before a federal grand jury in Nevada for their alleged criminal acts

1 during the March/April 2014 standoff, in addition to the indictment in Oregon over their  
2 peaceful protest there.

- 3 26. The indictment and later superseding indictment in the District of Nevada of Plaintiff  
4 BUNDY, his sons and other defendants, was assigned for prosecution to Judge Gloria  
5 Navarro.
- 6 27. Navarro was recommended for appointment to the federal bench by Defendant HARRY  
7 REID and then nominated by Defendant OBAMA.
- 8 28. Navarro's history as contained in documents she submitted in support of her confirmation, a  
9 United States Senate Committee on the Judiciary Questionnaire for Judicial Nominees,  
10 show that she previously attended and graduated law school at Arizona State University in  
11 Maricopa County, Arizona, the county where Sheriff Joe Arpaio is the sheriff.
- 12 29. Arpaio has filed litigation through Larry Klayman of Freedom Watch challenging  
13 Defendant Obama's executive orders granting in effect amnesty to over 5 million illegal  
14 aliens.
- 15 30. The issue of the legality of these executive orders are now before the U.S. Supreme Court,  
16 where Arpaio, through Klayman, has also filed an amicus curiae brief.
- 17 31. Defendant Navarro, before becoming confirmed as a federal judge, from 2005 to 2007, was  
18 the vice-president of the Latino Bar Association and from 2009 to 2010 was its president.  
19 She is a Latino activist.
- 20 32. Sheriff Arpaio has been unfairly branded as racist against Latinos, in an unjustified reaction  
21 to his stands against illegal immigration and support and endorsement of Presidential  
22 Candidate Donald Trump who says that if elected he will force Mexico to pay for a wall to  
23 keep out illegal Latino and other immigrants from crossing over into the United States.  
24  
25  
26  
27  
28

1 33. It is widely known that Klayman is Arpaio’s lawyer as this has been widely reported in the  
2 media both domestically and internationally, and he too by virtue of his representation of  
3 Arpaio has been falsely accused of being anti-Latino, even though he represented the Latino  
4 Republicans of Arizona in litigation of SB-1070, which was a state immigration bill that  
5 resulted in litigation all the way to the U.S. Supreme Court and was intended to allow law  
6 enforcement to more easily take action against illegal immigrants in Maricopa County and  
7 elsewhere in Arizona.  
8

9 34. Sheriff Arpaio, Klayman’s client, supported SB-1070.

10 35. Again, in the United States Senate Committee on the Judiciary Questionnaire for Judicial  
11 Nominees, Defendant Navarro stated with regard to “Potential Conflicts of Interest” that  
12 “My husband is a Chief Deputy District Attorney for Clark County. Although he does not  
13 practice in federal court, individuals who he has prosecuted or may in the future prosecute  
14 may be or become party or petitioner in a federal court case. If I am confirmed as a judge, I  
15 expect to recuse from any case where my husband has prosecuted a party or petitioner.”  
16 Defendant Navarro concluded by stating “If confirmed as a judge, I will handle all matters  
17 involving actual or potential conflicts of interest.” As set forth above Defendant HARRY  
18 REID, acting in concert with the other Defendants, asked the District Attorney for Clark  
19 County to also prosecute Plaintiff BUNDY and his family, and presumably this request is  
20 still pending. Contrary the representations she made to the Senate Judiciary Committee  
21 during her confirmation process, Defendant NAVARRO has not recused herself.  
22

23  
24 36. Following the arrest and indictment of Plaintiff BUNDY, in order to telegraph to and  
25 instruct Defendant Navarro his desire not to see Bundy released from solitary confinement  
26 in prison, convicted and otherwise bankrupted and otherwise harmed such that Defendants  
27 HARRY and RORY REID could obtain and sell the Bundy’s land for their own profit or  
28

1 kickbacks, as both are highly corrupt, Defendant HARRY REID had publicly published in  
2 the Las Vegas Review Journal and other media as a means to communicate and instruct  
3 Defendant NAVARRO on how to proceed against Defendant BUNDY and to poison any  
4 jury pool at trial.

5 By JEFF GERMAN  
6 LAS VEGAS REVIEW-JOURNAL

7 With the “outrageous lawbreaker” Cliven Bundy and four of his sons in custody, U.S.  
8 Sen. Harry Reid of Nevada took to the Senate floor Thursday to renew his push to  
9 preserve the scenic Gold Butte area northeast of Las [Vegas](#).

10  
11 Reid proposed a congressional bill in 2013 to create a national conservation area at Gold  
12 Butte, a region of rugged mountains, sandstone ridges and Native American  
13 petroglyphs.

14  
15 But the bill has stalled, and the Democratic leader in his Senate speech accused the  
16 defiant Bundy family of blocking daily efforts by [federal officers to protect the land](#).

17 “Because of trouble caused by the Bundys and their pals, the federal employees tasked  
18 with safely guarding these antiquities, were prevented from doing their jobs,” he said.  
19 “These employees have been under constant physical and mental threat for doing what  
20 the American people have tasked them to do

21 The senator still has hopes that President Barack Obama will preserve Gold Butte,  
22 something he has the power to do under the law. Obama has made such declarations in  
23 the past to protect federal land in Nevada.

24  
25 Reid also called attention in his speech to the armed takeover of a government wildlife  
26 refuge in Oregon earlier this year “by a dangerous group of militants” that included  
27 Bundy family members.  
28

1 “This particular episode of domestic terrorism has roots in Nevada, I’m sorry to say,”  
2 Reid told his colleagues. “They were led by the sons of Cliven Bundy. Cliven who, as  
3 we speak, is where he should be — in jail.”

4 Reid said the Bundy patriarch has been “breaking federal laws for decades,” adding,  
5 “I’m disappointed that some of my colleagues supported this outrageous lawbreaker.”

6  
7 Bundy is in federal custody facing 16 felony charges stemming from the April 12, 2014,  
8 armed standoff with law enforcement near his Bunkerville ranch, which is part of the  
9 Gold Butte area.

10  
11 In court papers earlier this week, his defense lawyer, Joel Hansen, called Bundy a  
12 political prisoner — like the late South African president and civil rights activist Nelson  
13 Mandela — who is being punished for exercising his First Amendment rights.

14 “Harry Reid’s comments just serve to prove that Cliven and his sons and the rest of the  
15 cowboys who came there (Bunkerville) to help are political prisoners,” Hansen said  
16 Thursday. “Now we have one of the most powerful men in America, Harry Reid, saying  
17 that they ought to be in prison.”

18 “Is Harry Reid the judge in this case or is he trying to improperly influence and poison  
19 the jury pool so that they will follow his opinion when they get to the jury box?”

20  
21 Bundy, 69, and 18 other people, including four of his [sons](#), were charged in a federal  
22 indictment in Las [Vegas](#) last month in connection with the 2014 Bunkerville showdown.

23  
24 All 19 defendants have been ordered held without bail as dangers to the community.

25  
26 The defendants are alleged to have participated in a “massive armed assault” on Bureau  
27 of Land Management officers trying to round up Bundy cattle being grazed illegally on  
28 federal land.

1 Jeff German, Reid Attacks Bundys on Senate Floor, calls for Gold Butte Protection, Las Vegas  
2 Review-Journal, April 7, 2016.<sup>1</sup>

3 37. Seeing these comments in the media published in the Las Vegas Review-Journal, which also  
4 publishes daily legal notices and which all judges and their staff read, Defendant  
5 NAVARRO, reacting to the commands of her benefactors Defendants HARRY REID and  
6 OBAMA, set out to abridge and harm the constitutional rights of Defendant BUNDY by  
7 refusing, without factual or legal bases, to grant *pro hac vice* status to out of state attorney  
8 Larry Klayman, knowing that Defendant Bundy was involved in what the Department of  
9 Justice called a complicated case and that Defendant Bundy sought a speedy trial as  
10 provided by the Sixth Amendment to the Constitution and 18 U.S.C. §§ 3161 through 3174.

11 38. By coming up with factually and legally incorrect grounds to not grant Klayman *pro hac*  
12 *vice* status, as set forth with greater specificity below, Defendant NAVARRO denied  
13 Plaintiff BUNDY his Sixth Amendment right of counsel and caused BUNDY at one point,  
14 mistakenly agreed to forfeit his speedy trial rights, (which he has now rescinded) because he  
15 lacks resources to pay his legal fees and needs more than one attorney to represent him, as  
16 local counsel Joel Hansen needs Klayman's expertise and human resources to augment his  
17 own, because he cannot prepare for and go to trial with only one lawyer. This is particularly  
18 true given the underlying history and facts inherent to this prosecution, given what the  
19 Justice Department has deemed a huge amount of discovery to turn over and that needs to  
20 be reviewed and analyzed by defense counsel.

21 39. Moreover, Defendant NAVARRO and her Magistrate Judge have not permitted Defendant  
22 BUNDY to be released from prison on bail, on the principal bogus grounds that he is a  
23 threat to society and dangerous, as broadcast by Defendant HARRY REID, who instructed  
24  
25

1 Defendant NAVARRO that Bundy is a domestic terrorist and must be put away in prison  
2 for life.

3 40. To make matters worse, Defendant NAVARRO and her Magistrate Judge have kept  
4 Defendant BUNDY in solitary confinement, which constitutes cruel and unusual  
5 punishment under the Eighth Amendment to the Constitution, since Bundy has done nothing  
6 to merit being held in solitary confinement.

7  
8 41. On information and belief, Defendant NAVARRO undertook to violate Defendant  
9 BUNDY'S constitutional rights not just because she was told to do so by Defendant  
10 HARRY REID and Defendant OBAMA, who proposed and nominated her to the federal  
11 bench, but also to curry favor with the likelihood of a Democrat administration under the  
12 presidency of Hillary Clinton.

13 42. As a Latino Democrat woman, Defendant Navarro understood that she would be high on the  
14 list for a higher judicial or other appointment if she contributed as the sitting judge to have  
15 Defendant BUNDY denied right of counsel of Klayman, as Klayman has been a strong  
16 public advocate in exposing and taking legal actions to address and remedy the rank  
17 corruption of Bill and Hillary Clinton. See [www.freedomwatchusa.org](http://www.freedomwatchusa.org).

18  
19 43. Indeed, as founder of Judicial Watch, Klayman is the only lawyer ever to have a judge rule,  
20 the Honorable Royce C. Lamberth, that a president committed a crime.

21 44. That president, Bill Clinton, was the husband of Hillary Clinton, Secretary of State in the  
22 Obama administration.

23  
24 45. Klayman as a public advocate has also taken legal actions to seek redress against the  
25 corruption of Defendant HARRY REID, who views Klayman as an enemy, as he does  
26 others who challenge his unbridled sleaze.

1 46. The facts of Defendant NAVARRO’S unethical and unconstitutional conduct are supported  
2 by the dishonesty of her orders denying Klayman timely *pro hac vice* entry to defend  
3 Defendant BUNDY. See Exhibit 2 incorporated herein by reference. In her first order of  
4 March 31, 2016, she misrepresented that the District of Columbia Board of Professional  
5 Responsibly had already ruled against Larry Klayman in a 10 year old proceeding that the  
6 nation’s premier ethics legal expert, Ronald Rotunda, has found to be meritless. To the  
7 contrary, she falsely accused Klayman of making false representations when indeed she was  
8 the one who had done so. This was done to harm Klayman and his reputation and to try to  
9 justify the denial of Klayman’s initial *pro hac vice* application and to justify her denial of  
10 Defendant Cliven Bundy’s constitutionally guaranteed right to the counsel of his choice. To  
11 this date, as set forth below, Defendant NAVARRO has not corrected this unethical smear  
12 against Klayman, done to further the interests of her benefactors Defendants HARRY REID  
13 and OBAMA, as well as satisfy her own prejudices against Klayman and Bundy. Not  
14 coincidentally, Klayman has also sued Defendant OBAMA on several occasions and  
15 succeeded in perhaps the biggest loss for any administration in American history when  
16 Klayman twice enjoined OBAMA’s National Security Agency from accessing the  
17 telephonic metadata of hundred of millions of American citizens without probable cause.  
18 *Klayman v. Obama et al.*, 13-cv-00851.

19  
20  
21 47. Then, after Defendant NAVARRO denied Klayman’s *pro hac vice* application without  
22 cause, particularly given the extremely low Supreme Court standard in favor of granting  
23 such applications in criminal cases where there is a Sixth Amendment right to counsel, and  
24 disingenuously asked for more information about the District of Columbia disciplinary  
25 proceeding, and Klayman provided it showing that the matter had not ever been decided and  
26 was in progress and would not be finally decided for years, given District of Columbia  
27  
28

1 procedures for reaching a final decision and rights of appeal, Defendant NAVARRO  
2 dishonestly and cleverly held that she would only consider granting *pro hac vice* after the  
3 proceeding ends in a favorable way to Klayman. See Exhibit 3 – Defendant NAVARRO  
4 *Pro Hac Vice* Orders incorporated herein by reference.

5 48. This completely dishonest ruling would mean that Klayman would only be granted *pro hac*  
6 *vice* entry after Defendant Bundy has been tried and perhaps convicted, and sentenced to  
7 life imprisonment as a “domestic terrorist” and “anti-Negro racist” as telegraphed and  
8 directed to Defendant NAVARRO by both Defendants HARRY REID and OBAMA.

9  
10 49. Importantly, even the Department of Justice attorneys prosecuting the case against  
11 Defendant BUNDY did not oppose *pro hac vice* entry and filed no such pleading – knowing  
12 that it is unconstitutional and illegal to deny *pro hac vice* entry in a criminal case. Klayman  
13 has been a member in good standing of the District of Columbia Bar for over 34 years and  
14 has not been disciplined or suspended for even one day.

15  
16 50. In short, Defendant NAVARRO has shown her true intentions and bias and prejudice, rising  
17 to the level of denying Sixth Amendment right of counsel and to a speedy trial to Plaintiff  
18 BUNDY, following the “marching orders” of her benefactors Defendant HARRY REID and  
19 OBAMA.

20 51. As a result, Defendant NAVARRO, acting in concert with the other Defendants, has now  
21 also abridged and violated Plaintiff BUNDY’S constitutional rights to a speedy trial by  
22 setting the trial, against the legal position of Plaintiff BUNDY, to commence on February 6,  
23 2017, about one year after Plaintiff BUNDY was indicted. During this period, since  
24 Defendant NAVARRO, acting in concert with the other Defendants, given her denial of pre-  
25 trial release and bail, will continue to keep Plaintiff BUNDY incarcerated in solitary  
26 confinement as a form of cruel and unusual punishment.
